**USC**  
UNIVERSITY  
OF SOUTHERN  
CALIFORNIA

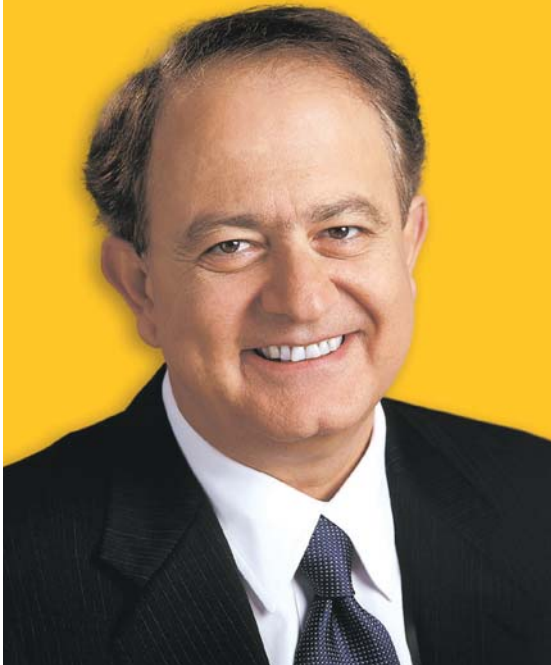

Newly elected to the  
**NATIONAL ACADEMY  
OF ENGINEERING**

USC PROVOST

## C. L. MAX NIKIAS

An electrical engineer and USC's chief academic officer, Nikias was cited for contributions to the development and diverse applications of adaptive signal processing and for leadership in engineering education.

VITERBI SCHOOL DEAN

## YANNIS C. YORTSOS

A chemical engineer who is the Chester F. Dolley Professor of Petroleum Engineering and holder of the Zohrab Kaprielian Dean's Chair, Yortsos was cited for fundamental advances in fluid flow, transport and reactions in porous media applied to the recovery of subsurface resources.
