The USC Andrew and Erna Viterbi School of Engineering congratulates
Andrew J. Viterbi

upon receiving the 2010 IEEE Medal of Honor, the institute's highest honor. A co-founder of Qualcomm and the developer of universally used wireless technologies, he holds the Presidential Chair in Engineering in the Ming Hsieh Department of Electrical Engineering. He received the National Medal of Science in 2007 and in 2008 was named a Millennium Laureate. He has received the IEEE Shannon Award as well as Marconi and Alexander Graham Bell awards. He is a member of the National Academy of Engineering, the National Academy of Sciences and the American Academy of Arts and Sciences.
